

## **Terms and Conditions for the IRF World Road Statistics (WRS) data & the International Road Federation (IRF)**

### **IRF WRS General Terms and Conditions** Last update: October 2019

This section outlines the Terms and Conditions governing the purchase and use of the IRF World Road Statistics data, in both published and digital/electronic formats, produced by the International Road Federation (Geneva, Switzerland) hereafter referred to as 'IRF Geneva'.

#### **1. Copyright**

1.1 All the contents, logos and design of the IRF World Road Statistics data and products, and any accompanying materials sent to you by post or electronically, in conjunction with IRF World Road Statistics are the property of, and copyrighted by IRF Geneva.

1.2 Reproducing portions of, or in its entirety, the contents of the IRF World Road Statistics, for any year (or more than one year), is prohibited without getting prior written (emails are acceptable) consent from IRF Geneva. Reproduction of small extracts of raw data/tables from the IRF World Road Statistics is possible after getting written consent from IRF Geneva. This use is limited to the purposes identified in the communication asking for the consent. The consent provided by IRF Geneva, regardless of the request, is a one-time consent, which elapses as soon as the data/tables have been used for the stated purposes.

1.3 WRS data can be used for analytical purposes, manipulated and transformed. All use of the data/tables, or anything else derived from the IRF World Road Statistics has to clearly identify the source of the data as "©IRF World Road Statistics".

1.4 Copying, publishing, or in any other way disseminating, or making publicly available, the unmodified and unaltered contents of the IRF World Road Statistics, partially or in its entirety, is not permitted under any circumstances.

#### **2. Transfer Restrictions**

2.1 Unless otherwise specified and agreed in a signed separate agreement, the purchase of the World Road Statistics is to be considered as a "single licence" and is therefore strictly limited to personal use of the individual or division/unit acquiring the data. Multi-licence agreements for companies and other organisations/institutions are possible and are bilaterally negotiated and signed between IRF Geneva and the company/organisation/institution.

2.2 The contents, partial or in their entirety, in published or digital/electronic form, cannot be transferred, made available, sold to third parties or be commercially exploited in any way nor they can be used for publicity or propaganda purposes.

### 3. Ownership of data

3.1 All data in the IRF World Road Statistics are owned exclusively by the IRF Geneva. Purchase of the IRF World Road Statistics, in any form, does not transfer ownership to the purchaser under any circumstances.

### 4. Disclaimer

4.1 The IRF Geneva makes no express or implied warranties concerning the data included in their publication and compilation of data, particularly no warranty of accuracy or fitness for a particular purpose or use and no warranty against infringement of the proprietary or other rights of third parties. The IRF Geneva shall not be liable for any damages or losses whatsoever in respect of the IRF World Road Statistics data and/or third parties use of the IRF World Road Statistics data.

4.2 The IRF Geneva is not responsible for any errors made by inappropriate use of the data from IRF World Road Statistics or for errors in interpretation and conclusions resulting from erroneous use of the data.

## General IRF Terms and Conditions Last update: October 2018

### 1. IRF Events

Event bookings submitted less than 48 hours before an IRF organised event cannot be guaranteed unless you receive a confirmation from IRF. Cancellation policy is specifically defined in the registration form and other registration documents for each event and may vary from one event to the other.

### 2. IRF publications

IRF publications will be shipped (economy mode) upon receipt of payment. Cancellations received within 48 hours of the placed order will receive a full refund less 25% administrative costs. If an IRF publication should be out of stock, you will receive an order cancellation notification and you will receive a full refund.

### 3. IRF Webinars and e-learning

A paid webinar booking entitles you to access the webinar recordings. The right of access to a Webinar is non-transferable. Webinar bookings are not refunded. IRF retains the right to postpone a webinar to a later date should the circumstances dictate. If so, your booking for the original webinar will remain valid. IRF does not hold any responsibility for the inability to access a webinar due to hardware or software issues with your IT equipment.

### 4. Currency

When making payments on IRF websites, your credit card will be debited for the amount and currency mentioned on the payment form. All costs related to currency conversion are carried by the buyer.

## 5. Applicable law

Transactions through IRF website are governed by Swiss law and subject to the exclusive jurisdiction of the Swiss courts.

## 6. Your right of use of IRF Material

You can copy, download or print content for your own use and you can also include excerpts from IRF publications and multimedia products (with the exception of the IRF World Road Statistics for which specific Terms and Conditions apply) in your own documents, presentations, blogs, websites and teaching materials, provided that suitable acknowledgment of IRF as source and copyright owners is given.

## 7. Security

Security measures are in place to protect the information you send us against loss, misuse and alteration. These security measures ensure the privacy of information while it is transmitted through the Internet and stored on our servers.

When you access the payment area of the IRF websites ([www.irfnet.ch](http://www.irfnet.ch), [www.worldroadstatistics.org](http://www.worldroadstatistics.org), [www.gtkp.com](http://www.gtkp.com), [www.drivesafeindia.org](http://www.drivesafeindia.org)), your transaction across the Internet is protected by high-strength 256 bit SSL encryption, provided you are using Mozilla Firefox, Opera or Microsoft Internet Explorer 8.0+. You will notice your web-browser "padlock" (bottom left or right edge of screen) is turned on before data entry occurs, this ensures that data transmission is totally private. If you are using an older web browser, the strength of encryption will be lower, usually 40 bit SSL. It is strongly recommended that all users of this site upgrade their browser to versions that support 256 bit SSL encryption."

No financial information is stored on IRF servers. This includes but is not limited to credit card numbers, expiry dates and CVN numbers. The information submitted is used once only for the purpose of the transaction, then destroyed on completion of the transaction. If the transaction cannot be completed immediately the information is discarded and the information will need to be resubmitted for the next attempt.

In addition IRF Geneva's servers are housed in secure facilities with access restricted to authorized personnel.

## 8. Privacy

Data and Privacy policy of IRF is specified in "IRF Data and Private Policy" as per [EU General Data Protection Regulation \(GDPR\)](#)

## 9. Disclaimer

IRF does not warrant, guarantee or make any representations regarding the accuracy, correctness, reliability, usability, or any other aspect, of the material presented on IRF websites, nor of material provided by others to IRF and presented on this Web site, nor of material provided by others and accessed from this site using links or connections to their Web sites or distribution services. The user accepts sole responsibility and all risk for using material presented on or accessed from this Web site.

IRF does not accept any liability for any loss or damage which may be incurred as a result of using this Web site or any material presented on or accessed from this Web site.

#### **10. Linking to the IRF websites**

You may create a link to this website provided that the link does not in any way misrepresent IRF or this website or any information it contains, and is not misleading in any way.

The links we provide to websites other than IRF are not under our control and are provided to you only as a convenience. IRF is not responsible for the content of any such websites.

The inclusion of a link to any website that is not an IRF website does not imply any endorsement by us of that website or any association with its operators.
